*Thync.*  
The Reminding  
Technology.

## Welcome to the world of Thync!

Dear customers, business partners, friends and interested people.

With this interactive advent calendar I would like to welcome you into the new world of Thync. Within the next 24 days, I like to introduce you to the innovative platform, its unique functionalities and its countless applications. Thync will inspire you!

Thync is a new and unique web-based platform that will greatly assist you in your daily tasks, organisation and communication in private and business conversations. Thync is multiflexible and multimedia and can be easily adapted to your special requirements and ideas. All you need is a smartphone and curiosity in getting in touch with the innovative technology. Are you interested? Join us during the next 24 days on the interactive exploration tour. You will be amazed and surprised - guaranteed! Every new day you can experience another step in the world of Thync. Important thing is that you follow the order and do not skip any days.

During the past 18 months we have invested a lot of energy and passion into the development of the Thync platform. Now it is ready to be born. You are one of the first persons who get in touch with the platform. The official launch of the platform will take place in early 2019. As with any new system, it may lead to minor complications and mistakes. Please feel free to contact me at any time and report any problems and errors as well as suggestions, ideas, possibilities for improvement and constructive criticism personally to me:

Help to make Thync a success story.

I wish you and your family a wonderful Christmas time and have fun with Thync.it!

Yours sincerely  
Marcel Beerli
